## CALL FOR NOMINATIONS

### 7 MOST ENDANGERED PROGRAMME 2024

*Europe's cultural heritage is a vast, multi-faceted mosaic showing who we were, who we are, and who we aspire to be. We are all responsible for this huge, precious and fragile legacy.*

#### ABOUT THE PROGRAMME

Launched in 2013, the 7 Most Endangered Programme forms part of a civil society campaign to save Europe's endangered heritage. In most cases, the listing of an endangered site serves as a catalyst and incentive for the mobilisation of necessary public or private support, including funding.

The 7 Most Endangered Programme is run by [Europa Nostra](#) – the European Voice of Civil Society Committed to Cultural and Natural Heritage – in partnership with the [European Investment Bank \(EIB\) Institute](#). It also has the support of the [Creative Europe](#) programme of the European Union as part of Europa Nostra's network project European Cultural Heritage Agora.

The final list of 7 most threatened heritage sites in Europe is selected by the Board of Europa Nostra and will be announced in April 2024.

## 7 MOST ENDANGERED PROGRAMME 2024

Timeline

## CRITERIA FOR SELECTION

The monuments and sites are selected considering:

- Heritage and cultural value of the site;
- Imminent danger the site is facing;
- The engagement of local communities and the commitment of public and private stakeholders to saving the site; and
- The potential of the site to act as a catalyst for a sustainable socio-economic development of the area where it is located.

## POST-SELECTION PROCESS

Heritage and financial experts from Europa Nostra and the European Investment Bank Institute follow up and undertake “rescue missions” to the 7 selected sites, together with the nominators. The multidisciplinary teams assess the sites and help formulate a feasible action plan for each of them, in close cooperation with national and local public and private stakeholders, including the site owner(s).

The results and recommendations of these missions are summarised in technical and financial reports that are made available on the Europa Nostra website. You can read about previous successful 7 Most Endangered projects via [this link](#).

## THE EIB HERITAGE GRANT

The 7 Most Endangered Programme includes the possibility for the seven selected sites to receive an **EIB Heritage Grant** of up to 10.000 euros to start the implementation of actions, studies or assistance measures for the threatened site. Europa Nostra will ask all shortlisted sites to submit a feasible project proposal.
